

8th International Building Physics
Conference Copenhagen Denmark

IBPC 2021

25-27 August 2021

**VIRTUAL CONFERENCE
SPONSOR PROSPECTUS**

WWW.IBPC2021.ORG

To Potential Sponsors,

We are pleased to invite you to be part of the **8th International Buildings Physics Virtual Conference 2021 hosted by the Technical University of Denmark (DTU) 25-27 August 2021.**

IBPC 2021 unites researchers, practitioners, educators and students from the construction sector worldwide. We meet to exchange new research and innovative technologies and to discuss current and future challenges and sustainable solutions within building physics. With more than 300 abstracts we received, we see a great interest in IBPC 2021. The conference will include technical sessions, keynote speakers, workshops and networking events and held in a virtual form. IBPC is the official triennial conference of the International Association of Building Physics (IABP).

Several sponsor opportunities are available for companies looking to inform new customers and reinforce existing relationships. Below here is a list of different sponsorship offers; but should your company have a creative idea for a sponsorship not listed here, please contact us and we will take your suggestion into consideration. We are looking forward to hearing from you.

On behalf of the organizing committee,

Professor Carsten Rode (Conference chair) Technical University of Denmark
Associate professor Menghao Qin, Technical University of Denmark
Research Director Ruut Peukhuri, Build, Aalborg University
Professor Mikkel K. Kragh, University of Southern Denmark
Associate professor Steffen Petersen, Aarhus University, Denmark
Professor Jesper Arfvidsson, Lund University, Sweden
Senior lecturer Petter Wallentén, Lund University, Sweden
